

General Instructions for Camera-Ready Paper (CRP) Submission and Registration - ICTEST 2026

*** After you have registered and paid in full for the conference, please follow the instructions below to prepare your final paper and upload it. Each accepted paper requires a separate registration. If an author has multiple papers, they must register for each paper individually.**

*** Ensure that all authors are registered and listed in CMT with their correct names and contact emails, as listed in the paper.**

Step 1: Final Camera-Ready Paper Preparation

1. **Formatting Guidelines**
 - Follow the **IEEE two-column A4 size standard conference format** for manuscript preparation.
 - IEEE Templates: [IEEE Templates](#).
 - **DO NOT ADD ANY PAGE NUMBERING, HEADER, OR FOOTER** (other than the copyright notice in Page 1 footer, discussed below)
2. **Review-Based Revisions**
 - Revise your paper as per **reviewers' comments**, available at: [ICTEST-2026 CMT](#)
 - Log in with your registered email to access comments.
 - Ensure that all reviewer comments are thoroughly addressed and proofread the source document carefully to eliminate the need for further revisions.
3. **Page & File Requirements**
 - **Maximum page limit: 6 pages** (including references).
 - Additional pages (up to 8) require an extra charge of **Rs. 500 per page**.
 - **Maximum file size: 3 MB**.
 - **File format: PDF (.pdf)** (no encryption or password protection).
4. **Plagiarism Policy**
 - Plagiarism **above 30%** is strictly prohibited. Papers exceeding this threshold will be **rejected without a refund**, even after registration.

Submission Checklist

- **Title** accurately reflects the paper's content
- **Author names & affiliations** are correctly listed (**No designations like Asst. Professor, Research Scholar, etc.**).
- **No prefixes (Dr., Mr., Ms., etc.)** before author names.

- **Clear and grammatically correct** language.
 - **At least five (5) keywords** are provided.
 - **Citations follow IEEE format** throughout the paper.
 - **Proposed method** is clearly explained.
 - **Logical and structured organization** of the paper.
 - **Figures and graphs** meet the IEEE resolution standards (300 dpi or above).
 - **Equations** are written using **equation editor software**.
 - **References are in IEEE format** (strictly followed).
 - **No author biography** at the end of the paper.
 - **No first-person pronouns** (I, we, us, etc.) used.
 - **Acknowledgment section does not include co-authors or affiliated institutes/centers.**
-

Step 2: IEEE Copyright Notice in Paper

- Insert the following **IEEE copyright notice** at the **bottom-left of the first page**, **vertically centered within the footer area**.
979-8-3315-9071-0/26/\$31.00 ©2026 IEEE
 - Ensure that the correct **copyright notice** is inserted before submission.
-

Step 3: PDF eXpress Verification

Before submitting the final paper, it **must** be verified through **IEEE PDF eXpress**:

Conference ID: 69239X

Instructions for First-Time Users:

1. Click “**New Users – Click here**”.
2. Enter:
 - **Conference ID: 69239X**
 - **Your email address**
 - **Create a password**
3. Follow the instructions to complete the verification process.

For Returning Users:

- Log in with your existing credentials.
 - Ensure your **contact details are up to date**.
-

Step 4: Camera-Ready Paper (CRP) Submission

- Once the paper passes **PDF eXpress verification**, submit the **final version** via **Microsoft CMT Author Console**.
- **File Naming Convention:**
 - **PaperID_ictest26.pdf** (replace **PaperID** with your CMT paper ID).
- **Important:**
 - The **title and author list in CRP must remain unchanged** from the original submission.
 - **No modifications** to author order or names are allowed in the CRP.

* Please prepare your **response to the reviewers' comments** as a separate file and upload it along with your Camera-Ready Paper (CRP) submission in Microsoft CMT.

Step 5: IEEE Copyright Form Submission

1. **Register all authors in CMT** with correct details (as in the paper) **before generating the copyright form**.
2. **After uploading the final manuscript in CMT**, click on 'Submit IEEE Copyright Form' to access the IEEE eCopyright page.
3. Complete the **copyright agreement**, download the **completed IEEE eCopyright Form**, and upload it back to CMT.
4. **File Naming Convention:** Include **PaperID** in the filename (if possible).
5. The **corresponding author** can submit the copyright form on behalf of all authors.

! Important:

- IEEE **directly retrieves** author details from CMT. **Any name discrepancies in copyright** may lead to the paper being **removed from IEEE Xplore**.
 - **Corrections can only be made by contacting IEEE directly**—conference organizers cannot assist in this matter.
-

ICTEST-2026 Registration

- **Conference registration is mandatory** for paper publication.
 - At least **one author must register**, complete **full payment**, and **present the paper in the conference (oral presentation)** for the paper to be included in the proceedings.
